10. College of Fellows (**Tony Hoover**)

Aligned with its mission of student mentorship and increasing the participation of students in the ASA, the College of Fellows is continuing a program to "Take-a-Student-to-the-Fellows-Luncheon". This pairs a student with a senior member/Fellow in their technical area for the Fellows Luncheon (more properly named "Society Luncheon and Lecture") at the ASA meetings.

The ASA provides, at no cost, 13 tickets to the Student Council for the Fellows Luncheon, so that a ticket can be given to one student in each of the 13 technical areas. The Student Council typically raffles off and distributes the tickets at its Student Reception on Wednesday evenings, the evening before the Fellows Luncheon.

We are asking if you could add an agenda item to your meetings, **asking for a senior member/Fellow in your technical area who expects to attend the Luncheon at the following meeting to volunteer to accompany the winning student in your technical area.**

Note that there is **no additional cost to the member**, because the student's ticket is provided by ASA
